

## An excerpt from "WORLD WAR III"

(thread started at 8:37:41 am EST, 9/11/2001)

**TheMaxx1:** Its time for warfare.....

**Dire 51:** What are you talking about?

**Cico4Eddie:** Get a radio, television on Dire!

**TheMaxx1:** both towers of the world trade center bombed.....pentagon bombed.....national mall....possible bomb

**Cico4Eddie:** I think it was just said to be a planned suicide airplane crash into both the WTC and the Pentagon.

**TheMaxx1:** WHITE HOUSE JUST GOT HIT

**Dire 51:** Can't have TV or radios in the call center, Cico... but what with maxx running around, I don't need to have either.

I say when we find out who's responsible, we nuke them back into the Stone Age...

Don't **FUCK** with America, assholes.

**Cico4Eddie:** They are sending all airlights heading into the Northern US to Canada. Now I am scared for my Toronto freinds.

**TheMaxx1:** LET'S GET OUR FUCKING BOOMSTICKS.....AND ROCK THE CASBAH BABY

**Dire 51:** I hope nothing else happens...

**derdevilman:** both towers are gone! 20,000 people worked in those towers.

WHATS THE FUCK.

I say its time to bomb the hell out of the middle east, they dont like each other over there anyway, fuck them all!

This shit is making me sick!

but on a side note, the backwoods of west volusia county never looked so go right now.

**TheMaxx1:** ITS TIME FOR SOMEONE TO FUCKING PAY FOR THIS

**derdevilman:** now the pentagon is colapsing...fuck
